

Hadi Nasiri

Assistant Professor

College: Mechanical and Materials Engineering

Department: Materials Science and Engineering

Papers in Journals

1. H. Nasiri و M.Golmohammadi. Investigating the Effect of the Presence of TiO₂ particles on the Preventing of the Growth of NiTi Granules during the Sintering Process. Journal of Metallurgical and Materials Engineering, ۲۰۲۲ ۱۱ ۲۷.
2. H. Nasiri , M. Golmohammadi , H. Sazegaran , , Photocatalysts Capability of Bentonite-ZnO Nanocomposite Synthesized by Solution Combustion in Ciprofloxacin Degradation, Journal of Ultrafine Grained and Nanostructured Materials, 2023 06 14.
3. H. Nasiri , J. Vahdati Khaki , N. Shahtahmassebi 3 , , Ni-Al₂ O₃ Nanocomposite with High Specific Surface Area Synthesized by Mixture of Fuels through Solution Combustion, Journal of Ultrafine Grained and Nanostructured Materials, 2022 12 15.
